Thanks so much for the update, Cathy. Hope all's been well (and with you too, Heaven and Justin)! Looking forward to talking next week if you'd like, and/or on the following Monday for the Eureka call.

Best,

Hi Amelia:

I'm guessing you should be back from your work travel some time soon. I hope you are doing well.

I have been working long and hard on the Santa Rosa permit renewal. We had hoped to have it ready to start EPA and Regional Board internal review by today. There's still a little bit of staff work to be done before I send it to you. I am meeting with Heaven and Justin on Monday to do a working meeting to compare the Windsor and Santa Rosa drafts to make sure they are consistent where they need to be. I'm not sure if Justin has sent Windsor to you yet or not, but I believe there will be some changes after our working meeting on Monday.

I hope to get the Santa Rosa permit to you Monday or Tuesday. I hope to talk to you soon.
